Questions

Deadline for submission of questions: 06.02.2025 23:59

Please raise any commercial, technical or procedural questions promptly, and no later than the deadline for submission of queries specified on above. Questions can only be submitted electronically, using tender platforms either **tenders.ge** or **etenders.ge**. The Questions &

Answers module is available to all interested parties. Non-compliance may result in your tender not being considered.

In case of violation of the rules, your offer cannot be discussed.

The evaluation of the offers is scheduled to be completed by 15.02.2025. We will then contact **only** the selected candidate as soon as possible.

➤ **General scheme of bid evaluation**

The offers received will be evaluated according to both prices and content. After the technical evaluation (cf. Assessment Grid, Annex 2), the price offers of the bidders who have presented acceptable technical offers will be opened and evaluated. The expenses that are made in accordance with the Terms of Reference must be clearly and detailed shown in the price offer.

In the final overall assessment, the technical offer has a weighting of 70%, the price offer of 30%.

After that, the bidders are given a ranking number based on the evaluation results. Contract negotiations will be initiated with the candidate with the best scores. If the negotiations are unsuccessful, negotiations will be conducted with the candidate in 2nd place.

➤ **Assessment Grid for the Technical Evaluation of Bids**

The technical offers should respond to the information given in Annex 1 (Terms of Reference). The technical offer may not include any price information. Criteria for the evaluation of technical offer are divided according to the predetermined weight coefficient. (See Annex 2).

➤ **General Conditions of Contract**

- Please familiarize yourself with General Terms and Conditions of Contract (Annex 3). In the event of an award of contract, they will become an integral part of the contract.

➤ **Grid for assessing the eligibility of consulting firms**

The Company/consortium must provide proof of average annual turnover for the last three financial years; average number of staff; and proof of reference project according to the provided annex (See Annex 5)

The Company/consortium must fill in Self-declaration form (Annex 6)

Yours sincerely,
