

The image is a detailed topographic map of a land plot, likely for a construction or landscaping project. The map features several key elements:

- Plot Boundaries:** A red line outlines the main plot area, which is divided into different colored zones: orange at the top, blue-hatched in the middle, and green at the bottom.
- Topographic Data:** Numerous contour lines and elevation points are marked throughout the map, indicating the terrain's slope and height.
- Annotations and Labels:**
 - საგზისპირა ზონა-1(სზ-1)** (Roadside Zone-1) is labeled in blue text within the orange zone.
 - საპროექტო მიწის ნაკვეთი ს/კ 81.02.96.020** (Project land plot S/K 81.02.96.020) is in a red box at the top right.
 - საპროექტო შენობა** (Project building) is in a red box on the right side.
 - სარეკრეაციო ზონა** (Recreational zone) is in a white box within the green zone.
 - ბრუნტის გზა** (Drainage road) is labeled in the bottom center.
 - 81.02.26.010** and **81.02.26.011** are vertical labels on the right edge.
 - 81.02.29.191** is a label on the left edge.
 - 81.02.96.018** is a label on the right side.
- Technical Details:**
 - Dimensions like **2450**, **900**, **667**, **400**, **1906**, and **3418** are marked in blue.
 - A specific area is labeled **415.4 m²** in blue.
 - Points **N5** and **N7** are marked near the building footprint.
 - Two car icons are shown near the bottom right corner of the plot.
