- Suitable for recessed mounting
- Available with light color: 3000K, 4000K, 5000K, 6500K
- Suitable for outdoor use (IP65)
- Warranty: 5-year limited

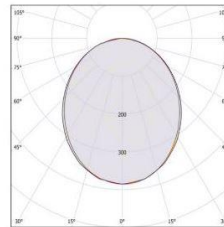

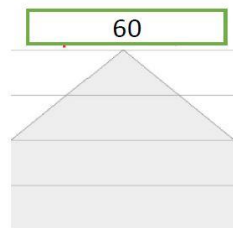

Technical Data

Electrical data

Input voltage	220 to 240 V
Input frequency	50 to 60 Hz
Type of current	AC
Power	100 W

Photometrical data

Light color LED	White
Color temperature	6500 K
Luminous flux	14000 lm
Color rendering index	>80

Canopy information

Lamp type	LED
Housing material	Aluminum
Optical cover / lens material	Tempered Glass
Number of light sources	64 pcs
Useful life	80000 h
Driver included	Yes
Inside dimensions	335x335x102 mm
Overall dimensions	400x400x102 mm
Type of protection	IP65
Operating temperature range	-20.....+45 °C
Technical options	Dali, Dimmer
