1. PERFORMANCE WORK STATEMENT

INTRODUCTION/BACKGROUND

The purpose of this firm-fixed price contract is the renovation of an auditorium and its conversion to a combined conference room/theater with audio visual capabilities for group presentation via video projection and simultaneous video teleconferencing. The goal is to utilize the entire space of the auditorium to its maximum capacity resulting in a minimum of underutilized space. The Contractor shall take advantage of existing leading edge electronic capabilities and anticipate future developments to preclude wholesale obsolescence within the next five to ten years. The Contractor shall use existing equipment when technically suitable and avoid major structural modifications to the room's interior. Most aspects of a presentation must be easy to control from within the room via a wired touchpad and not require special training for day-to-day operation by laypersons.

SCOPE OF WORK

The scope of work will require the Contractor to evaluate the existing room and equipment and make recommendations for updating all of the existing audio and video systems in the auditorium to include the presentation screen, projector, and sound system. As a cost saving measure, the Contractor is asked to utilize existing infrastructure if possible. The video teleconference equipment is required to be Government Furnished Equipment (GFE). For the screen and projector, the intent is to be able to display movie quality content possibly up to 4K.

1. Relocate all existing IT equipment and consolidate in the IT rack located in room adjacent to the auditorium (See Appendix 1 – Floor Plan). Recommend technical suitability of using existing equipment as listed in Appendix 2 – GFE.
2. Provide a touch sensitive control pad with one touch technology. Recommend hardware and software options for controlling functions of all equipment in the auditorium, including lighting and drop-down screen.
  - a. wireless control panel or
  - b. a wired control panel (preference is a wired control panel)
  - c. For a wired connect we will need an extra-long cable so the controller is not tied to a specific place. If possible, maybe a couple of connection points in the auditorium to move the controller around.
3. Recommend model, dimension, tension/tensionless, gain aspect ratio, etc., for a wall mounted fixed screen and electronic ceiling drop down screen installation on the opposite wall of the entry door behind the stage.
4. Recommend projector model, lumens, quality 4K, 1080p, etc. so that it projects onto the

- screen installed in line item #3.
5. The video switching and distribution device controlling input to the projector must have capacity for all the following devices:
    - a. Cisco VTC SX-80
    - b. Region Free DVD/Blu-ray player
    - c. Department of State OpenNet PC via HDMI input and sound
    - d. Internet PC via HDMI input and sound
    - e. Extra HDMI input and sound for a laptop or other connected device
    - f. VGA input with sound
    - g. Vbrick set top device via HDMI input and sound for TV signals such as CNN, BBC, or AFN with sound
    - h. Telephone connection for telephonic conference with polycom conference phone.
  6. Recommend location and install existing GFECisco HD camera for Cisco CODEC SX-80.
  7. Make recommendation and install SKYPE compatible WEB camera for internet
  8. Recommend a camera or cameras that can tie into the system for filming events that take place in the auditorium so we can either stream it live or copy and distribute later.
  9. Maintenance of all equipment
  10. Review speaker array existing in auditorium and recommend optimal system.
  11. Provide 4 (four) new wireless microphones with rechargeable batteries and integrate with sound system DVC, Skype and speech. One of the microphones must be a clip-on microphone.
  12. Minimum of two wall mounted USB and HDMI connections for connecting a laptop and also remote keyboard and mouse.
  13. Delivery and installation of all equipment

(h) *Certification Regarding Responsibility Matters (Executive Order 12689)*. (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals–

(1)  Are,  are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2)  Have,  have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local

government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(3)  Are,  are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4)  Have,  have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,500 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.* (A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(i) *Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126).* [The Contracting Officer must list in paragraph (i)(1) any end products being acquired under this solicitation that are included in the List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor, unless excluded at [22.1503\(b\)](#).]

(iv) The compensation (wage and fringe benefits) plan for all service employees performing work under the contract is the same as that used for these employees and equivalent employees servicing commercial customers.
