

Architectural floor plan showing a central corridor and multiple rooms. The plan includes dimensions for overall size (6.600m by 5.840m), room sizes, and corridor widths. A central corridor is 1.800m wide. Rooms on the left and right are 1.500m wide. The plan also shows door swings, windows, and a central staircase area. A north arrow points towards the top right. A label "Diverter device" with an arrow points to a specific location on the right side of the plan.
